Dear Prof. Garma,

I am Adrian Johnven Sonido, an incoming 4th year student taking a Bachelor of Secondary Education Major in Science. I accidentally threw away my library card when I decluttered some of my stuff and did not notice I included it together with my stuff. It happened last May, 2021.

I hope to get a new library card for this coming semester.

Thank you for your understanding and consideration.

Respectfully yours,

Adrian Johnven Sonido

Dear Prof. Garma,

I am Khemverly A. Alinsog, an incoming 4th year student taking a Bachelor of Secondary Education Major in Science. I by mistake dropped my library card while fixing my things while walking and it got wet with my other papers. It happened in June of 2020.

I hope to get a new library card for this coming semester.

Thank you for your understanding and consideration.

Respectfully yours,

Khemverly A. Alinsog
